SUMMARY

Full Stack Web Developer, trained professional with 10 years of learning experiences within industries ranging from grassroots, to legal, to financial institutions; bringing unparalleled levels of soft skills and professionalism, coupled with intelligence and analytics. Highly technical by nature and a team player, successful on numerous occasions in a team environment collaborating across diverse groups both as a leader and a teammate; for example, my times as a civic engagement associate as well as teammate for Bootcamp projects. Eager candidate looking to bring these experiences to add immense values as well as learn and continuously adapt in a collaborative environment.
